Spring 2020

Welcome to the Spring edition of Meath Matters; a quarterly look at the news, progress and great events to look forward to from the Fundraising & Marketing Department. While the COVID-19 pandemic presents us all with concern and the need to take sensible measures, we have been united in finding ways to continue normality as far as possible. Any updates will go on our website immediately.

During such challenging times for The Fundraising & Marketing Department and The Meath Community as a whole, we are especially grateful for your unstinting support.

## In Fond Memory of Ian Eldridge

Sadly, earlier this year resident Ian Eldridge passed away. He is dearly missed by all at The Meath and shall be fondly remembered for being a kind, good humoured and stoic member of The Meath community. Having lived at The Meath for many years at both The Cottages and Thursley many members of the staff team have commented that it has been an absolute pleasure and privilege to support Ian. On behalf of the people we support, staff and volunteers alike, we would like to extend our deepest sympathies to Ian's family members.

Please help us to grow our support by following us on social media and sharing our posts!

## Meath On Film- Art as Catharsis

Local graduate Film Maker, Amber Bardell beautifully captured the variety of creative pursuits that the people we support enjoy in her recent short film 'Art as Catharsis'. We are thrilled that Amber chose The Meath as one of the settings in which to examine this topic. If you've not yet taken a look, you can find Amber's film from The Meath homepage. Huge thanks to Amber for this extremely thought-provoking film and for being so sympathetic and tuned into the needs of the people we support during filming.

## Meath Perspectives

Thank you to the people we support, family members, volunteers, staff and supporters who gave us their own unique perspective on what The Meath means to them. These different perspectives offer an insightful little film which can be found on the homepage of our website and we've also been sharing the individual stories on social media.

## New Meath Movie Coming Soon!

A film crew, a woodland, a big yellow steamroller, lots of armchairs and some very excited Meath residents! A new Meath Movie is coming soon.

## Reasons to be cheerful...

The Meath's 'can do' attitude has been put to the test by COVID19, here are some of the ways that the people we support have continued to maintain a busy and meaningful day despite the need to adapt and reduce social contact.

Following the success of our first Meath Open Air Cinema last summer we are thrilled to announce this year's Open Air Cinema screening of *The Greatest Showman*. This spectacular and poignant modern day musical hit depicts the rise of Barnham's pioneering form of entertainment that took the world by storm. Join us for the 'greatest show' as the sun sets and a blanket of stars descends over you. This year we are delighted to be able to fund a free ticket for every Meath resident plus one for their family member or carer. We're looking forward to the event as a great, inclusive evening for all.
