## Dear Supporter

Welcome to our Autumn edition of Meath Matters, a quarterly round up of news and achievements across The Meath. From the Skills Centre's fabulous September fair and forthcoming exhibition at Godalming Museum, to the Royal Visit to Changing Perceptions, we have enjoyed a busy autumn and have much to update you on!

The Fundraising and Marketing team have been extremely busy; October saw a fantastic charity screening of 'No Time to Die' at Guildford's Yvonne Arnaud Theatre which brought in some much needed income after a long period of being unable to fundraise with events. The team have also been busy creating a fabulous new Meath film which is out soon and are preparing for our much needed 'Sustain & Maintain' Christmas fundraising appeal.

Sadly due to the pandemic, we are not holding our annual Carol Service at St Clement Danes Church. It is always a very special occasion, and it also brings in much needed fundraised income for the charity. However I am pleased to invite you to enjoy our Carol Service on film in your own home, the film will be released as part of our Christmas appeal and we are delighted that we have a very special friend to The Meath introducing it this year.

Thank you to all of you who have supported us with these projects and events over the autumn. It's a busy time of year for all so I do hope that you can enjoy few moments of peace to find out more about our exciting projects and most importantly, the impact they have on the wonderful people we support.

With best wishes

## Countess of Wessex Visit is the Royal Icing on the Cake!

Her Royal Highness The Countess of Wessex visited Changing Perceptions on Tuesday 2<sup>nd</sup> November in order to thank staff, volunteers, family members and the people we support for their outstanding services, and stoicism during the pandemic.

Having met with the team and rolled up her sleeves to join in with a furniture upcycling session with a group of the people we support, The Countess helped to serve a delicious home-made lunch to residents, family members, staff and volunteers.

All at Changing Perceptions and The Meath are thrilled that Her Royal Highness was able to meet some of the inspirational people they support and to experience our winning combination of social purpose, inclusivity, and environmental ethos. Lindsay, CEO said of the visit

“We are honoured that HRH The Countess of Wessex was able to join us and we are extremely grateful to her for her warmth, empathy and genuine interest in the work of the charity.”

**CHRISTMAS Appeal 2021**

This Christmas, please help us to sustain & maintain our life enriching services for the people we support

Coming Soon! Starts 22nd November!

The Meath's funding covers only the basic requirements of life and does not stretch to the cost of daily activity sessions, trips out and regular social events which offer the people they support a sense of achievement, purpose and belonging.

For the second year, our 'Sustain and Maintain' Christmas Appeal is a call to arms for the community at a time of great need. Pupils at Loseley Fields, Broadwater, St Edmunds and Chandler C of E School are supporting the appeal by holding a Christmas Jumper Mufti Day. Helen Jackson, Marketing Manager commented "It means so much to us that the schools are able to support us in this way and their fundraising will make a hugely positive difference to the people we support."

Also showing their support in festive style, are Seymours Estate Agents, Godalming are supporting the Christmas Appeal with some board advertising. Stewart Palmer, Owner commented "as well as raising vital income for The Meath Christmas Appeal we hope to raise awareness and some festive cheer!"

**FIRESIDE CAROLS**  
AN ONLINE CAROL SERVICE  
FILMED AT  
ST CLEMENT DANES CHURCH

Once again The Meath is releasing a film of their Carol Service as part of the Christmas Appeal. Lindsay, CEO explains "The Meath Christmas Carol Service is always a very special occasion, and it also brings in much needed fundraised income for the charity. As a care home we must remain cautious, and we are sadly unable to hold the event at St Clement Danes Church, London this year due to the pandemic, however I am pleased to invite supporters to enjoy our Carol Service in their homes."

With an introduction from actress Fiona Shaw, The Meath Carol Service on film is the perfect backdrop to your Christmas wrapping or tree decorating. The film which is free to view, will be released on 15th December at 7pm. All at The Meath hope that, in keeping with the spirit of Christmas, viewers will donate generously in order to help us to sustain the many life-enriching services for the people we support throughout 2022.
